

Join the Agilent Innovation Tour

The next generation of analytical excellence

Get ready to embark on an exciting, analytical journey

Great news! We're bringing the latest and greatest in analytical technology right to your doorstep.

Discover the revolutionary **Agilent Infinity III LC series**, the cutting-edge **Agilent 8850 GC**, and our newest software and service innovations.

This is your chance to see these game-changing solutions in action, connect with industry experts, and participate in live demos that will elevate your lab's performance to new heights. All of that - In your city!

Our stop in Finland:

Wednesday, May 07, 2025
09:30 – 15:30 EET

Scandic Simonkenttä, Helsinki
Simonkatu 9
00100 Helsinki

Check out the agenda and register today to secure your spot at your favorite location.

Did you know?

30 Years back, two products rocked the analytical world –

The Agilent 1100 HPLC and the Agilent 6890 GC.

It's time now to give them a champion's farewell as we are migrating away from supporting these models.

Let us know if you still have one of these legends in your lab and we will help you transitioning to the newer and more sustainable technology.

Meet the next generation of analytical excellence

Check out our registration page and view the agenda.

Seats are limited so, we advise to secure your spot as soon as possible. We look forward meeting you there!
